****Virtual Viewing Available****

Lavish lateral apartment set within the premier building and premier floor of this magnificent mansion block. Backing onto the corner of Nevern Square, the flat benefits from being quietly on the top floor (with lift) and gaining the maximum amount of natural light too. Perfectly proportioned, the space is elegantly divided into two enormous bedrooms with oodles of storage, a large separate dining room and a big bay windowed reception equipped with an original Victorian Fireplace and consistently grand ceiling height throughout. There are two super spec bathrooms and a modern kitchen which could be made open plan if you so wished. The block has two first rate live in porters and a delightful communal garden to share with fellow residents.
