

Redfield Lane

£1,100,000 Share of Freehold

Magnificent Maisonette, quietly set at the rear of this impressive Freehold, at the heart of the Kenway Village conservation. Currently rented as a 3 bedroom property, the space was originally designed with two double bedrooms upstairs and a large lateral entertainment space downstairs. Modernised to an exceptional standard by the owners themselves, this is a perfect pad for a young family and also a lucrative rental investment. 999 year lease, with a Share of Freehold to follow. Some CGI Photography has been used. 'Please let us know if you would like to be sent a video tour of this property'
